

CPC50220 Diploma of Building & Construction (Building)

Qualification Description

CPC50220 Diploma of Building and Construction (Building) covers key aspects of the building and construction industry. Students will learn to run and manage the overall operations of the building and construction business including the selection of contractors who oversee construction work and ensure its quality. In addition, students will also learn how to successfully consult with clients, understand their needs and satisfy their requirements in relation to a construction project.

Duration

This program runs for 62 weeks (excluding holidays).

Fee

Government Funded (Amount to be paid by the student = \$0)

From 1 January 2023, you need to meet these requirements to be eligible for Skills First subsidised training:

Citizenship

You must be:

- an Australian citizen, or
- an Australian permanent resident, or
- a New Zealand citizen.

Physical location

You must be physically present in Victoria while participating in training and assessment.

Course limits

Skills First funding is limited to:

- two courses at a time
- two courses in a year.

Asylum seekers

If you are an asylum seeker, you may be eligible for the

www.vic.gov.au/asylum-seeker-vet-program

Non-Government Funded

- \$15,442.5 (Flexible Payment Plans available)

Delivery Methods

Face-Face/Virtual classroom based training sessions weekly to develop the theoretical knowledge required. You need to set aside 10 hours per week for self-study and 5 hours for Assessment work. In weekly class, your trainer will facilitate a range of Training experiences including:

- Trainer led instruction
- Discussion and debate
- Group training activities
- Case studies
- Role plays

Employment Outcomes

- Registered Builder
- Site Manager
- Building Inspector

Pathways to Further Study

On completion of this qualification, you can continue to CPC60220 Advanced Diploma of Building and Construction (Management).

Entry Requirements

- Applicants must be aged 18 or above.
- To assist prospective students to determine if course is suitable and appropriate for the individual needs, Pre-training review (PTR) will be conducted.
- Successful completion of BCTA's Language, Literacy and Numeracy (LLN) test.
